### Tiny Tech Young Learners Conference

\$150      \$ \_\_\_\_\_

Join the Technology in Early Childhood (TEC) Center at Erikson Institute, ISTE Early Learning Network, Illinois Computing Educators (ICE) and the Illinois Learning Technology Centers on Saturday, June 23, 2018 for [Tiny Tech: Young Learners Conference](#); a day of play and learning with technology tools, including robotics, tangible technology and apps. Spend the day exploring early computational thinking and coding with the latest screen-free and screen-based tech tools and designing developmentally appropriate plans for introducing these critical skills.

### Teaching and Learning Entrepreneurial Thinking

\$150      \$ \_\_\_\_\_

Join ICE-IL and the team from Illinois Math & Science Academy on June 23rd in a fun and unique space for a full-day workshop focused on [Teaching and Learning Entrepreneurial Thinking](#). Entrepreneurial thinking cuts across all subjects and connects what is learned in school to the real world. We'll examine the entrepreneurial mindset, how it intertwines with academic standards and impacts all learning activities. Instructional methods and curricular examples are demonstrated for grades 6-12 in STEM-oriented subjects & extra-curriculars.
